The 1961 Carveran

Foreword

The CARVERAN Staff has in these pages tried to capture some parts of the work, the play, the seriousness, and the gaiety which helped to make our college days a unique experience.

To the staff and everyone else who helped to make this book a success, we say "thanks for your co-operation and patience."

As you leaf through the pages of this CARVERAN, we hope it will bring pleasant memories to all who remember the "Class of 1961." We challenge you to read it, analyze it, and in so doing re-live with us the accomplishments of the Carver family 1960-61.

Dedication

As Carver College moves forward toward a new era in its development, with plans for a campus and all of the possibilities inherent therein, the CARVERAN staff takes pride in dedicating this 1961 yearbook to the spirit of Carver College.

It is our hope, as so well expressed in our Alma Mater, that loyalty to Carver and pride in her accomplishments will ever remain with each of us long after we have become alumni. May the words and music echo in our minds and constantly arouse within us eternal devotion to the spirit exemplified in the traditions of Carver College.

ALMA MATER

Stand up for Carver, brave and true
Our loyalty we pledge to you,
When we are gone, so far to roam,
We'll think of Carver as our home.

Chorus

C - A - R - V - E - R
Lift your voices in a cheer,
C - A - R - V - E - R
Our Alma Mater so dear!

Stand up, stand up, Maroon and White,
Thy banner shine throughout the night,
Thy voice rings sweet and loud and clear
Stand up for Carver, true and dear.

Administration

The Message

Greetings to:
STUDENTS
FACULTY
ALUMNI
FRIENDS

The administration is proud of the spirit exemplified by our students during 1960-61, which portends great things for the future of Carver College. If such devoted support is always forthcoming—and the administration believes that it will be—then Carver College has a potential to reach the goals which it has set forth to accomplish.

Class Prophecy

As I turn this well-known educated crystal ball I can see several Carverteans performing various duties and occupations. To the left of the crystal ball I see GENEVA GATEWOOD and JUANITA GATEWOOD sitting in nearby office taking dictation. Both young ladies at this time have received their "M-R-S" degrees. Somewhere nearby, there stand EMMA McCLAIN, BETTYE GABRIEL, NANCY FOX, PATRICIA STITT, and DOROTHY DAVIS. These five young ladies are awaiting an interview with the same Real Estate Broker. Each young lady has her fingers crossed, hoping to be the lucky one to get the job.

To the right of the crystal ball I see RICHARD REID, ROOSEVELT BOULEWARE, ROBERT VANCE, and JACK BENSON, all gone into business together. About two blocks from this place of business stands an insurance company where JAMES McCLAIN is the head manager, quite small of course, but the center of attraction.

Around the curve and over the hill stands a fabulous, bright building with all the trimmings. This building is two blocks in length. Working in this building are a number of Carverteans; namely, EMANUEL BAGBY, GLADYS WALLS, LARRY FULLER, SARAH HAFFER, MILDRED THOMPSON, BARBARA FOSTER, JERRY LILLY, and WYLIE LITTLE. In the center of this crystal ball is really where the opportunities start. Several well-known French instructors gathered at the White House for an important meeting. They are: MARION MANSEL, ALICE DIAMOND, ROBERT MAXWELL and ANNE McGRUFF. VERNELL SADLER and MAGGIE HOLLOWAY are Executive Secretaries in large offices in the White House.

CHARLIE HART, WALTER RORIE, JOHN NAIL, and ROBERT PYANT have joined the Evangelist, Billy Graham, in other countries spreading the Gospel over the world. I could just go on and on, naming various persons of the Sophomore Class and their future occupations. If I revealed all of our plans, then there would be no surprises for you in the future. Therefore, I will stop here and let you figure out the rest.
